

APPROVED:
„ISM University of Management and Economics“
By Rector's Order No. 2026/01-07-51
Dated 1 June 2026.

“ISM UNIVERSITY OF MANAGEMENT AND ECONOMICS”, UAB TUITION FEE DISCOUNT AND SCHOLARSHIP REGULATIONS

I. GENERAL PROVISIONS

- 1.1. The tuition fee discount and scholarship allocation procedure of “ISM University of Management and Economics”, UAB (hereinafter – **ISM**) (hereinafter – the **Procedure**) defines the rules for granting tuition fee discounts and/or scholarships for Bachelor's, International Master's, Executive Master's, Executive MBA, and Doctoral study programs. Tuition fee discounts and/or scholarships are granted from the funds accumulated by ISM and/or the public institution ISM Foundation (hereinafter – **the Foundation**), and in accordance with the provisions of the Law on Science and Studies of the Republic of Lithuania.
- 1.2. Lithuanian citizens studying in Bachelor's degree programs may be granted only one ISM tuition fee discount and/or scholarship (i.e., ISM tuition fee discounts and/or scholarships cannot be combined), except for the ISM Progress Scholarship and the ISM “Striving for More” Scholarship.
 - 1.2.1. The ISM Progress Scholarship may be combined with all other ISM scholarships, provided that the student is not studying in a fully funded position (i.e., receiving the 100 Talents Scholarship or the Social-Incentive Scholarship).
 - 1.2.2. The ISM “Striving for More” Scholarship may be combined with the ISM Early Admission Scholarship.
- 1.3. ISM study scholarships and discounts are calculated based on the tuition fee listed in the pricing schedule valid on the date the study agreement is signed.
- 1.4. Discounts not specified in these Regulations may be granted as exceptions by decision of the ISM Study or Admission Committee. Such discounts may only be granted during the admission process.
- 1.5. These Regulations apply to students admitted to ISM in the current academic year, except for the provisions concerning the granting and revocation of ISM Progress Scholarships and ISM Employee Family Discounts, which also apply to students admitted in previous years. All ISM students who meet the requirements outlined in these Regulations are eligible to apply for the ISM Progress Scholarship, regardless of their admission date.
- 1.6. **The Entrepreneurial Families Scholarship** is granted to students applying to any ISM study program whose parent, adoptive parent, legal guardian, grandparent, child, adopted child, grandchild, sibling, half-sibling, or spouse is applying to, currently studying at, or has graduated from ISM and received an ISM diploma. The ISM Entrepreneurial Families Scholarship is awarded during the admission process, applies for the entire duration of the studies, and covers 15% of the tuition fee specified in the study agreement.
 - 1.6.1. Students wishing to receive the Entrepreneurial Families scholarship must submit a formal application along with documents proving the family relationship:
 - Birth certificate (in the case of siblings, both individuals' birth certificates must be submitted);
 - Adoption or guardianship documents;
 - Marriage certificate;

- Documents proving name and/or surname changes, if surnames differ.
- 1.6.2. The application must be submitted to the ISM Admission Committee during the admission process, together with other admission documents.
 - 1.6.3. If two or more family members are applying at the same time, each applicant may submit a separate application to receive the scholarship.
 - 1.7. **The ISM Employee Family Discount** is granted to family members of ISM employees working under a permanent employment contract. It applies to those enrolling in any ISM study program and covers 15% of the tuition fee specified in the study agreement. The discount is available to the employee's spouse, parents, adoptive parents, grandparents, children, adopted children, grandchildren, siblings, stepsiblings, provided that the documents listed in point 1.6.1 are submitted at the time of admission.
 - 1.7.1. The ISM Employee Family Discount applies to family members of employees who have worked at ISM for at least one year, with a minimum of 0.75 full-time equivalent (FTE) employment.
 - 1.7.2. If an employee's family member is already studying at ISM, the ISM Employee Family Discount will be granted once the employee completes one year of service at ISM and meets the conditions specified in section 1.7.4.
 - 1.7.3. In order to receive the discount, the student must submit a request in the prescribed form to the ISM Studies Department via email at studies@ism.it. The request form can be found in the elearning.It system.
 - 1.7.4. The discount will be applied from the start of the next academic semester.
 - 1.7.5. The discount is not applied retroactively.
 - 1.7.6. If the employment relationship is terminated for any reason, the ISM Employee Family Discount will be revoked from the next semester onward.
 - 1.8. **Employees of sponsoring companies** receive a 15% discount on the tuition fee, calculated based on the tuition fee valid on the day the study contract is signed. The discount is granted at the time of admission, when the study contract is signed. The discount applies if the company contributes to the Fund with an annual donation of at least €20,000.
 - 1.9. The ISM Discounts and Scholarships Evaluation Committee, which consists of: the Director of the Study Services Department, the Head of the Program Administration Group, and the Head of the Data Management Group, has the right to decide to apply the full tuition fee to a student and/or to revoke any ISM scholarship and/or discount granted to them in the following cases:
 - 1.9.1. If the student status is lost;
 - 1.9.2. By decision of the ISM Ethics Committee due to violations of the ethics code and the severity of those violations;
 - 1.9.3. If, after the academic year ends, the student's average is lower than the average of students in the same program, mode of study, and year, and the student has at least one academic debt, except for the ISM Entrepreneurial Families Scholarship, the ISM Employee Family Discount, and the Alumni Discount; Due to non-fulfillment of financial obligations;
 - 1.9.4. The ISM Progress Scholarship is also lost if the student's average, after one academic year, is lower than the top ten highest results (ranked as outlined in section 2.1 of this regulation) of ISM bachelor's students studying in the same course, or if the student has been granted academic leave;
 - 1.9.5. The corporate sponsor employee discount is lost for future semesters if the student takes academic leave.
 - 1.10. If the student has been awarded a Fund social-incentive scholarship, and the ISM Discount and Scholarship Evaluation Committee determines that one of the cases specified in section 1.9 of this regulation applies, ISM will notify the Fund. The Fund will decide on the continuation or termination of the scholarship payment in accordance with its internal procedures.

- 1.11. The 100 Talents Scholarship is lost in the following cases:
 - 1.11.1. If the student awarded the scholarship has discontinued/suspended their studies or has been removed from the student list;
 - 1.11.2. If the student's average grade for the academic year is lower than the average of their program course.
- 1.12. From the moment the scholarship is lost, the student must pay the full tuition fee in accordance with the general procedure.
- 1.13. A bachelor's or international master's student who loses their scholarship will have to pay the tuition fee valid on the day the study contract was signed, from the date the scholarship is lost.
- 1.14. ISM discounts and/or scholarships do not apply to the price of additional study subjects and/or services.
- 1.15. All ISM scholarships/discounts are intended solely for the payment of tuition fees and are not directly paid to the student.
- 1.16. The student, having received an ISM scholarship and/or discount, undertakes to contribute to the promotion and dissemination of ISM.

2. TUITION FEE DISCOUNTS AND SCHOLARSHIPS FOR BACHELOR'S DEGREE STUDENTS (CITIZENS OF THE REPUBLIC OF LITHUANIA)

2.1. ISM grants tuition fee discounts and scholarships:

Tuition Fee Scholarship Name	100 Talents scholarship	ISM study scholarship – 75%	ISM study scholarship – 25 %	ISM Progress Scholarship	"ISM 'Striving for More' Scholarship"
The portion of the tuition fee paid by the student	- 0 EUR for the entire study period.	- 25 % for the entire study period.	- 75 % for the entire study period.	- The tuition fee is reduced by 25% from the fee applicable to the student in the current academic year.	-50% for the entire study period.
Receiving	- The 100 Talents Scholarship is awarded to bachelor's degree students whose entrance competition score is no less than 9.2 if the student applied to ISM during the early admission period, and no less than 9.4 if they applied during the general admission period.* *The score is preliminary and may be adjusted based on that year's national examination results. - The scholarship is awarded during either early or general admission, based on the applicant's motivation to study and their national final examination results. - The tuition fee is fully covered by ISM and the	- The scholarship is awarded based on the applicant's motivation to study and the results of the national final examinations. Priority for the scholarship is given to those applying during ISM's early admission period. - Part of the tuition fee is covered by the state scholarship, and part is funded by ISM.	- The ISM Study Scholarship, covering 25% of the tuition fee, is awarded to bachelor's degree students applying to ISM during the early admission period. The scholarship is granted based on the early admission competition score, as outlined in the ISM Bachelor's Degree Students and Independent Students Admission Rules of "ISM University of Management and Economics", UAB.	- The scholarship is awarded to the ten ISM bachelor's students with the highest weighted average within the same academic year. If the averages are identical, the scholarship is awarded to the student with the highest overall weighted average across all completed semesters. If those are also identical, the scholarship is awarded to the student with the highest entrance competition score. Students receiving the 100 Talents Scholarship, those participating in double degree programs who are not paying tuition fees to ISM during that period, and students with any academic debts are not included in the ranking. - The eligibility for the Progress Scholarship is reviewed by the ISM Discounts and Scholarships Evaluation Committee and based on the academic performance of students from all ISM study programs within the	- The ISM "Striving for More" Scholarship is awarded to bachelor's degree students who are admitted during the early admission period and who are actively engaged in sports, arts, community service, politics, or entrepreneurial activities. - There are five scholarship categories: - Entrepreneurship Scholarship; - Sports Scholarship; - Arts Scholarship; - Community Engagement Scholarship; - Future Political Leader Scholarship (for applicants to the Economics and Politics study program). - When selecting candidates, the duration of involvement in the evaluated activity, as well as achievements and recognitions in each area, are taken into consideration. During motivation interviews, candidates' understanding

	state study scholarship funds.			same year, is reassigned at the end of each academic year. Scholarship recipients are informed about the awarded Progress Scholarship no later than August 15. All students are informed by email about the weighted academic year averages of the Progress Scholarship recipients, broken down by program.	of the respective field may also be assessed. - Each candidate is evaluated individually, based on the submitted documents proving their achievements and the information provided during the motivation interview. The final decision on awarding the scholarship is made by the ISM Admission Committee.
Additional information	- The scholarship is awarded to students applying to ISM for the first time who have received a state-funded study scholarship. - The number of scholarships is limited. The number is determined unilaterally by ISM, based on the total number of applicants across all ISM study programs. - If a student transfers from another university and has more than 12 credits recognized, the scholarship is not awarded.	- The scholarship is awarded to students applying to ISM for the first time who have received a state-funded study scholarship. - The number of scholarships is limited and is determined unilaterally by ISM, taking into account the total number of applicants. - If a student transfers from another university and has more than 12 credits recognized, the scholarship is not awarded.	- The scholarship is awarded to students applying to ISM for the first time. - The university reserves the right to allocate additional scholarships to students applying during the general admission period. - The number of scholarships is limited. - If a student transfers from another university and has more than 12 credits recognized, the scholarship is not awarded.	- A student's annual weighted academic average is compared to the weighted average of the entire cohort. - Study results obtained during an exchange program are not included in the calculation of the annual weighted academic average. - In cases where a student is granted academic leave starting from the beginning of the spring semester of the current academic year and consequently loses eligibility for the Progress Scholarship, the scholarship is not reassigned to another student for the remaining academic year. - At the time of awarding the Progress Scholarship, the student must have earned the required number of credits for the program. - If a student transfers from another university and has more than 12 credits recognized, the scholarship is not awarded.	- The scholarship is awarded to students applying to ISM for the first time. - The number of scholarships is limited. - Applicants may apply for no more than one category of the "Striving for More" scholarship. - If a student transfers from another university and has more than 12 credits recognized, the scholarship is not awarded.

2.2. ISM Foundation scholarship:

- 2.2.1. The scholarship is awarded to active and community-minded young individuals who are facing financial difficulties. It is granted for the entire study period and covers part or all of the tuition fee. The awarding and termination of the ISM Social-Incentive Scholarship are regulated by the Foundation's Encouragement Scholarship Regulations. You can find the regulations on the ISM website at: <https://www.ism.lt/socialine-skatinamoji-stipendija/>

2.3. State-Funded Scholarship

- 2.3.1. The selection for state-funded study places for short-cycle, first-cycle (bachelor's), and integrated study program students who are eligible for a study scholarship is carried out by LAMA BPO during the general admission process to higher education institutions.

2.4. Progress Scholarship

- 2.4.1 When awarding the Progress Scholarship, students may receive points added to their existing result **for** activities not related to academic achievements;
- 2.4.2 Criteria for which additional points are awarded:
- 2.4.2.1 For participation and mentorship in the ISM Entrepreneurship Club (attending at least 4 of the 7 organised meetings) – 0.3 points;
 - 2.4.2.2 For participation in Shadowing Days and providing assistance in welcoming a student and maintaining contact with them – 0.05 points per lecture;
 - 2.4.2.3 For participation in events (school visit to the university „ISM Insider“, Open Day and other events) and study fairs – 0.05 points per event;
- 2.4.3 Additional points are summed, but the final number of additional points may not exceed 0.3 points.

2.5. 100 Talents Scholarship and Social-Incentive Scholarship

- 2.5.1 When signing the agreement on covering the cost of studies, applicants commit to dedicating no less than 100 hours to volunteering at the Foundation during the academic year.
- 2.5.2 Volunteering activities are divided into the following categories, which students may join:
- 2.5.2.1 Participation in study fairs and events organized by ISM, representing the University's name;
 - 2.5.2.2 Participation in Thank You Days and other activities organized by the Foundation;
 - 2.5.2.3 Assistance with communication on social media (filming videos, preparing posts, and other activities);
 - 2.5.2.4 Assistance in the academic environment (applicable to non-first-year students, upon receiving a separate invitation);
 - 2.5.2.5 Assistance in working with the ISM alumni community;
 - 2.5.2.6 Other activities not provided for in these Regulations, about which the Foundation Director provides information.
- 2.5.3 Monitoring of the agreement's implementation is carried out by the Foundation Director and ISM administration staff.
- 2.5.4 If the terms of the agreement are not fulfilled, the Foundation reserves the right to consider terminating the scholarship.

3. TUITION FEE DISCOUNTS AND SCHOLARSHIPS FOR BACHELOR'S DEGREE STUDENTS (NON-CITIZENS OF THE REPUBLIC OF LITHUANIA)

- 3.1. Students applying to ISM for the first time and achieving the highest results in the ISM Academic Knowledge Test may be awarded tuition fee discounts covering up to 100% of the tuition fee payable by the student.

- 3.2. The best candidates holding Ukrainian or Georgian (Sakartvelo) citizenship may, by decision of the ISM Admission Committee, be awarded an **ISM Study Scholarship covering 20%** of the study program's price valid at the time of signing the study agreement.
- 3.3. Students recruited through agents with whom ISM has signed cooperation agreements may be granted a 10% tuition fee discount, which applies for the entire duration of the studies.
- 3.4. All students, regardless of their citizenship, are eligible to apply for the ISM Progress Scholarship. The conditions for receiving the scholarship are defined in Section 2.1 of these Regulations.

4. TUITION FEE DISCOUNTS AND SCHOLARSHIPS FOR INTERNATIONAL MASTER'S DEGREE STUDENTS

- 4.1. **ISM alumni discount.** An ISM Alumni Discount is granted to ISM bachelor's degree graduates applying to ISM International Master's studies. The discount also applies to ISM International Master's graduates who enroll in a second ISM International Master's degree program. The ISM Alumni Discount covers 30% of the tuition fee applicable at the time of signing the study agreement.
- 4.2. **ISM study scholarship.** During the admission process, ISM International Master's students who are admitted with the highest competition scores and/or distinguished by outstanding academic and scientific achievements, significant accomplishments in national and international competitions during their bachelor's studies and beyond, notable social engagement, or exceptional professional achievements, may be awarded an ISM Study Scholarship. The scholarship, granted by the decision of the ISM Admission Committee, can cover up to 50% of the tuition fee. The exact amount of the scholarship is announced annually on the ISM website.
- 4.3. **ISM partner discount.** The discount applies to companies that cooperate with ISM under a cooperation agreement and, coordinating their activities with an ISM sales representative, systematically delegate their employees to studies and partially or fully cover the cost of their International Master's studies.
- 4.3.1. The following tuition fee discounts apply to employees delegated by companies:
- delegating 3–4 employees per study semester – 10% discount;
 - delegating 5–6 employees per study semester – 15% discount;
 - delegating 7–9 employees per study semester – 20% discount;
 - delegating 10 or more employees per study semester – 25% discount.
- 4.3.2. The discount applies to the current study semester in which the corresponding number of employees was delegated.
- 4.3.3. When determining the size of the applicable discount, all employees delegated by the company to the International Master's studies during the current study semester are taken into account.
- 4.3.4. In all cases, the discount is calculated from the study price specified in the price list that was valid on the day of signing the study agreement.
- 4.4. **Additional studies discount.** Candidates who apply for ISM International Master's studies are granted a **30% discount** on the credit fee for ISM additional (pre-master) studies.
- 4.5. **ISM Entrepreneurship Scholarship.** By decision of the ISM admissions committee, selected best candidates are granted a scholarship covering up to 75% of the master's studies price. The scholarship is intended for active business creators who own and are developing their own business. The number of scholarships is limited (up to 3 students).
- 4.6. Discounts Applicable **only to citizens of the Republic of Lithuania:**

- 4.6.1. International Master's degree students who are admitted to ISM with the highest entrance competition scores may, by decision of the ISM Admission Committee and in accordance with the legal acts of the Republic of Lithuania, be awarded a state-funded study scholarship.
- 4.6.2. **Accelerate Program.** Applicants to the International Master's students may apply for the "Accelerate" program, through which the tuition fee is deferred until the student's income reaches the income threshold specified in the "Accelerate" agreement. The deferred tuition fee begins to be paid according to the payment schedule specified in the annex to the "Accelerate" agreement. When forming the competitive ranking, not only the applicants' academic achievements are evaluated, but also their motivation during the interview. The winners of the "Accelerate" program are selected by the ISM Admissions Committee.
- 4.7. Discounts Applicable to **Foreign Citizens:**
- 4.7.1. Students from foreign countries who receive funding from the Education Exchanges Support Foundation may, by decision of the ISM Admission Committee, additionally be granted a **10% discount** covering the entire price of the study program, which is awarded for the entire duration of their studies. The funding from the Education Exchanges Support Foundation cannot be combined with any other ISM scholarship.
- 4.7.2. Students recruited by agents with whom ISM has signed cooperation agreements may be granted a **10% tuition fee discount** which is awarded for the entire duration of their studies.
- 4.7.3. Foreign citizens who spent a semester at ISM during their Bachelor's studies through exchange or double degree programs may, by decision of the ISM Admission Committee at the time of admission, be granted **up to a 25% discount** covering the entire price of the International Master's studies, based on the price valid at the time of admission.
- 4.7.4. The best candidates holding Ukrainian or Georgian (Sakartvelo) citizenship may, by decision of the ISM Admission Committee, be awarded **an ISM Study Scholarship covering 20% of the study program's price** valid at the time of signing the study agreement.

5. TUITION FEE DISCOUNTS FOR ISM EXECUTIVE MASTER'S DEGREE STUDENTS

- 5.1. ISM Partners Discount. The discount applies to companies that cooperate with ISM under a cooperation agreement and, coordinating their activities with an ISM sales representative, systematically delegate their employees to studies and partially or fully cover the cost of the Executive Master's studies.
- 5.1.1 The following tuition fee discounts apply to employees delegated by companies:
- 5.1.1.1 delegating 3–4 employees per study semester – 10% discount.
 - 5.1.1.2 delegating 5–6 employees per study semester – 15% discount;
 - 5.1.1.3 delegating 7–9 employees per study semester – 20% discount;
 - 5.1.1.4 delegating 10 or more employees per study semester – 25% discount.
- 5.1.2. The discount applies to the current study semester in which the corresponding number of employees was delegated.
- 5.1.3. When determining the size of the applicable discount, all employees delegated by the company to the Executive Master's studies during the current study semester are taken into account.
- 5.1.4. In all cases, the discount is calculated from the study price specified in the price list that was valid on the day of signing the study agreement.

- 5.2. Graduates of the ISM Executive Master's and MBA (Master of Business Administration) programs who continue their studies in individual modules are granted a **30% tuition fee discount**. ISM bachelor's and International Master's graduates applying to the Executive Master's program are eligible for a **20% tuition fee discount**.
- 5.3. Executive Master's program students who continue their studies after completing three modules receive a **10% discount** for the fourth and any subsequent selected modules, calculated based on the tuition fee indicated in the then-current study agreement. **This discount does not apply to the Final Thesis module.**
- 5.4. Joint enrollment discount "Einam kartu" ("**Let's go together**"). Candidates who enroll in studies together with a colleague, friend, or other acquaintance who also enrolls in studies, and who provide each other's first and last name during admission, receive a **10% tuition discount for the first semester of studies**. The discount applies to both newly enrolled students.
- 5.5. Participants of the **STEP UP project** (meeting the conditions of the STEP UP competition regulations) are eligible for **up to a 50% discount on the first study module**. The number of funded places and the funding conditions for the STEP UP project are determined each academic year by the ISM Admission Committee.
- 5.6. **Referral Discount.** The discount applies to ISM Executive Master's students and alumni who recommend the programme to a new candidate and are named as the referring person during admission. Once the candidate is admitted and begins their studies, the referring person is granted a 10% discount on the price of the nearest study module. The referral discount may be used within one calendar year. Discounts cannot be combined.

6. TUITION FEE DISCOUNTS FOR ISM MASTER OF BUSINESS ADMINISTRATION (MBA) STUDENTS

- 6.1. For companies that delegate **2 or more employees** to the ISM Business Administration MBA for Executives program a **15% tuition fee discount** is applied for each employee, calculated based on the tuition fee valid on the date the study agreement is signed, and applies for the entire study period.
- 6.2. ISM Bachelor's and International Master's graduates continuing their studies in the ISM Master of Business Administration (MBA) program are granted a **20% discount**, while Executive Master's graduates (those who have completed the entire Executive Master's program) are granted a **30% discount**. The discount is calculated based on the tuition fee valid on the date the study agreement is signed and applies for the entire study period.
- 6.3. Early bird discount: Applicants to the ISM Master of Business Administration (MBA) program may be eligible for a **15% Early Bird Discount**. The discount applies to the full tuition fee valid at the time of admission, and the conditions are published on the website: <https://www.ism.lt/executive-school/executive-mba/>.
- 6.4. **Referral Discount.** Applicants to the ISM Master of Business Administration (MBA) program who apply with a recommendation from a graduate of the same program are granted a **15% discount** on the total tuition fee. This discount is available only to applicants who apply **before the end of the main admission period**. Exact admission dates are published on the website: www.ism.lt/priemimas.

7. TUITION FEE DISCOUNTS FOR DOCTORAL STUDENTS

- 7.1. Doctoral students who are graduates of ISM Bachelor's, International Master's, Executive Master's, or ISM Master of Business Administration (MBA) programs are granted an **ISM Alumni Discount** as recognition for their loyalty to the ISM community. The ISM Alumni

Discount amounts to **30%**, calculated based on the tuition fee valid on the date the study agreement is signed, and applies for the entire study period.

- 7.2. Students applying for ISM doctoral studies from higher education institutions with which ISM has signed institutional cooperation agreements, and who study in doctoral programs with either student or auditor status, may be granted **special discounts** approved by a separate decree of the Rector.
- 7.3. Doctoral candidates who achieve a high entrance competition score may be awarded a **study discount of up to 40%** for the entire duration of their studies (if this discount is used, Clause 7.4 of these Rules does not apply):
 - 7.3.1. Candidates who achieve a competition score between **8.0 and 9.0** at the time of admission are awarded a **30% discount**.
 - 7.3.2. Candidates who achieve a competition score between **9.01 and 10** at the time of admission are awarded a **40% discount**.
- 7.4. Candidates who do not enroll in ISM doctoral studies during the main admission period or who do not receive a state-funded scholarship for a doctoral study subject are granted a **30% discount**.
