

## RECOGNITION OF FOREIGN QUALIFICATIONS

In 2017, the Ministry of Education and Science of Lithuania granted a right to the ISM University of Management and Economics to perform academic recognition of foreign qualifications for the purpose of further studies at our University.

The evaluation and recognition of qualifications is a part of admission procedure; it is mandatory to all applicants, who have acquired a foreign qualification. Procedure of evaluation and recognition of a foreign qualification for applicants to the University is provided free of charge.

Each foreign qualification is assessed and a decision concerning its academic recognition is made individually on the basis of information available and general recommendations on recognition of foreign qualifications provided by the Centre for Quality Assessment in Higher Education; in case of lack of experience in assessing certain qualifications and reliable information or if a qualification, which holder is applying for studies at ISM, is not included in the list of general recommendations, the University shall apply to the Centre for an individual recommendation.

Please find more detailed information on the following topics:

- *Procedure of academic recognition and evaluation criteria:* [Rules for Academic Recognition of Foreign Qualifications](#) at ISM.
- *Legal acts, regulating evaluation and recognition of foreign qualifications:* <https://www.skvc.lt/default/en/lawacts> .
- *General documentation requirements:* please click [here](#).
- *Requirements for credentials by country:* [Country Specific Requirements](#). If your country is not on the list, please follow [General documentation requirements](#). We also welcome the submission of any documents and/or information related to your studies that you might find to be relevant. Please note that ISM reserves the right to ask for additional documents and/or information.
- *Application for academic recognition.* Applicants have to fill out only one application form for admission and academic recognition for a foreign qualification; the form is available online at: <https://my.ism.lt> .
- *Centralized admission to higher education institutions in Lithuania.* Association of Lithuanian Higher Education Institutions for Centralised Admissions provides a one-stop-shop for admissions to Lithuanian universities. If you are applying to Bachelor level studies at ISM through this system, academic recognition will be performed by the Centre for Quality Assessment in Higher Education. For more information please visit the website: <https://bakalauras.lamabpo.lt/international-and-eu-students/holders-of-foreign-qualifications/> .
- *Right to appeal.* All recognition decisions issued by the University can be appealed against to Academic Recognition of Foreign Qualifications Concerning Higher Education Appeal Committee under the Centre for Quality Assessment in Higher Education; for more information on the procedure, please click [here](#).

order No. 01-07-33  
of 22 May 2020  
of the Rector of ISM University of  
Management and Economics

**RULES FOR ACADEMIC RECOGNITION OF EDUCATION AND QUALIFICATIONS CONCERNING  
HIGHER EDUCATION AND ACQUIRED UNDER EDUCATIONAL PROGRAMMES OF FOREIGN  
STATES AND INTERNATIONAL ORGANISATIONS AT  
ISM UNIVERSITY OF MANAGEMENT AND ECONOMICS**

1. Rules for Academic Recognition (hereinafter referred to as 'the Rules') of Education and Qualifications Concerning Higher Education and acquired under Educational Programmes of Foreign States and International Organisations (hereinafter referred to as 'foreign qualifications') at ISM University of Management and Economics (hereinafter referred to as 'the University', 'ISM') shall govern the procedure for assessment and academic recognition of foreign qualifications at the University.
2. The Rules have been developed and assessment and academic recognition of foreign qualifications at the University shall be performed in accordance with the following documents:
  - 2.1. the Description of the Procedure for Recognition of Education and Qualifications Concerning Higher Education and Acquired under Educational Programmes of Foreign States and International Organisations approved by Resolution No 212 of the Government of the Republic of Lithuania of 29 February 2012 (Official Gazette, 2012, No 29-1290);
  - 2.2. Methodology for the Evaluation of Education and Qualifications Concerning Higher Education and Acquired under Educational Programmes of Foreign States and International Organisations approved by the order No V-21 of the Director of the Centre for Quality Assessment in Higher Education of 14 March 2017 with subsequent amendments;
  - 2.3. the Council of Europe/UNESCO Convention on the Recognition of Qualifications Concerning Higher Education in the European Region, Explanatory Reports and International Recommendations;
  - 2.4. the documents adopted by ENIC/NARIC network, the Council of Europe or other competent institutions and agreements of the Republic of Lithuania regarding recognition of qualifications;
  - 2.5. the best practices and guidance documents of the Member States of the European Union that have ratified the Lisbon Convention;
  - 2.6. The European Recognition Manual for Higher Education Institutions;
  - 2.7. The Rules;
  - 2.8. Other documents concerning academic recognitions of foreign qualifications.
3. The terms used in the Rules shall be understood as defined in the Description of the Procedure for Recognition of Education and Qualifications Concerning Higher Education and Acquired under Educational Programmes of Foreign States and International Organisations approved by Resolution of the Government of the Republic of Lithuania of 29 February 2012 and the related legislation.
4. Assessment and academic recognition of foreign qualifications is carried out by the employees of the University Study Service Department.
5. Procedure of recognition of a foreign qualification for applicants to the University is provided free of charge.
6. The documents submitted for the assessment and recognition of foreign qualifications, the procedure and terms for their submission are specified in the Rules of Admission of Students to ISM University of Management and Economics. The holder of the qualification shall be informed of the submission of additional documents required for the qualification assessment by email. Information on documents submitted for assessment from certain countries is available on the ISM website.

7. Assessment of qualification consists of the following stages: determination of qualification value in its country of origin, determination of qualification level in its country of origin, comparison of qualification with the most similar qualification provided in the Republic of Lithuania, i.e. comparison of qualification content, profile, workload, quality, learning outcomes requirements with relevant requirements established in the Republic of Lithuania, determination of whether differences between foreign qualification and qualification provided in the Republic of Lithuania are substantial to study at the University.
8. The decision on the academic recognition of a foreign qualification shall be taken no later than within 15 working days from the date of receipt of all necessary documents at the University's Study Service Department.
9. Each foreign qualification is assessed and a decision concerning its academic recognition is made individually on the basis of information available and general recommendations on recognition of foreign qualifications provided by the Centre for Quality Assessment in Higher Education; in case of lack of experience in assessing certain qualifications and reliable information or if a qualification, which holder is applying for studies at ISM, is not included in the list of general recommendations, the University shall apply to the Centre for an individual recommendation.
10. After assessment of general requirements, the following decisions concerning academic recognition of a foreign qualification may be taken:
  - 10.1. Recognise a foreign qualification;
  - 10.2. Recognise a foreign qualification and grant only some rights to the holder of a qualification (seek only for further studies by gaining access to study programmes of a particular field (group of fields), etc.);
  - 10.3. Recognise a foreign qualification only together with additional requirements (examination/examinations, additional courses, studies, etc.) which the holder of a qualification will have to fulfil;
  - 10.4. Refuse to recognise a foreign qualification. In this case, it may be advisable to recognize foreign study results and transfer credits as part of the ISM study program.
11. The decision on academic recognition of a foreign qualification shall be included in the UNIMETIS Study Information System.
12. The holder of the foreign qualification shall be informed by e-mail about the decision regarding recognition of the qualification, as well as information about the procedure and terms of appealing the decision.
13. A decision on the academic recognition of a foreign qualification may be appealed against following the procedures and deadlines specified in the document listed in the Section 2.1 of the Rules.

## GENERAL DOCUMENTATION REQUIREMENTS

The following documents must be submitted for recognition of a foreign qualification:

- Diploma and its' supplement;

## **RIGHT TO APPEAL**

All recognition decisions issued by the University can be appealed against to the Academic Recognition of Foreign Qualifications Concerning Higher Education Appeal Committee under the Centre for Quality Assessment in Higher Education.

Please note that only recognition decision can be appealed. If you haven't been enrolled to a chosen study programme at ISM due to incomplete documentation, not meeting specific requirements set for admission to a study programme or other reasons, this decision can't be appealed.

A signed appeal should be filed within 14 days from the receipt of the decision from the higher education institution. The appeal should be addressed to the Committee and include personal data (name and surname of person who presents appeal, living address, contact e-mail and phone), a valid form of identification, an explanation as to why the decision is contested and all the supporting documentation.

An appeal is investigated for 30 days since an appeal and all the necessary documentation related to it are received.

Appeals must be submitted to:
